Intake Application

Matthew 25 improves the health of people and neighborhoods by investing in quality affordable housing, healthy food, educational opportunities, and community building.

During Transform, volunteers help homeowners in the Taylor and Time Check neighborhoods with home repair and maintenance projects that they aren't able to complete on their own. Grants, donations and sponsorships allow Matthew 25 to do these home repairs at no cost to the homeowners.

Though some of this work is done throughout the year, the majority of work will be completed during Transform Week, June 26-30, 2023. Please fill out the following application completely; incomplete applications will not be considered.
